Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner contacted applicant to discuss an inventorship issue with applicant. The Office has 2 inventors listed for the current application whereas the applicant has 3 inventors who signed the oath/declaration. The Office has not received a petition to change inventorship and until that time will only consider the original 2 inventors as the inventors on record. Applicant needs to file a petition to change inventorship under rule 1.48 in an attempt to add the third inventor..
